Salem Art Fair & Festival, September 12-14, 2025

Specialty Food Vendor Application Information

Please read carefully as the application is updated annually.

The Salem Art Association is accepting applications for this year's event. There will be approximately 10 food booths at the event offering a wide range of food. Festival coordinators are always seeking creative menu items. Attendee feedback indicates the public is seeking healthier food items. If you are a past participant and your food sales were low, it is important for your group to consider re-creating your menu in order to be invited to participate.

Food Booth Requirements:

- Food Vendors must provide their own tent/booth for selling food, not to exceed dimensions stated in the application including trailer tongues, awnings, etc.
- The booth must post a restaurant license. Someone with a valid food handler card must be supervising the booth at all times and all safety regulations must be observed.
- All booths must have professional-looking signage located on the outside of the booth, with the name of the organization selling the food clearly visible.
- Only electrical items listed on your contract are allowed. Personal coffee makers are not allowed. Your representative may have made verbal modifications to your application to comply with electricity requirements, and these are reflected in your contract.
- Your organization must use either a cash register or square register for all sales. Reports must be run at the end of each day and "Z" or "square" report must accompany your Sales Report with settlement at the end of each day. Failure to supply "Z" or "square" reports will disqualify you from future participation at SAF&F.
- Salem Art Fair & Festival is a fundraiser for Salem Art Association. A \$500 deposit is required for all For Specialty Food Vendors and is due **May 23, 2025**. This deposit amount will be deducted from the 20% of gross sales that SAFF will receive.
- Liability insurance for a minimum of \$1,000,000 is required. Both the Salem Art Association and City of Salem must be listed as additional insured for the dates of the Art Fair. Proof of additionally insured is due with signed contract.
- All participating food vendors are required to use SAF&F zero waste approved compostable products including bio utensils and food containers.

SAA:

- The Salem Art Association provides the space and placement for your booth.
- Food waste containers including grease disposals are provided by SAFF.
- Attendance is usually 20,000 throughout the 3-day event and does vary according to the weather.
- A Sales Report sheet will be provided to all food participants on site. If selected, vendor agrees to pay **SAA 20% of gross sales**. Each group is responsible for completing the sales report daily and including the register's daily "Z" or "square" report and submitting payment each day. Failure to do so will eliminate participation from future events.
- Due to challenges in receiving accurate receipts/payments SAA will have line spotter's roaming food courts throughout the three days of the festival. These spotters will visually monitor food booth lines and report back to SAA on the comparative levels of activity at the various food booths. Booths that are perceived to be inaccurately reporting their transactions over the three days will not be invited back.
